

City of Mountain View

Fire Department

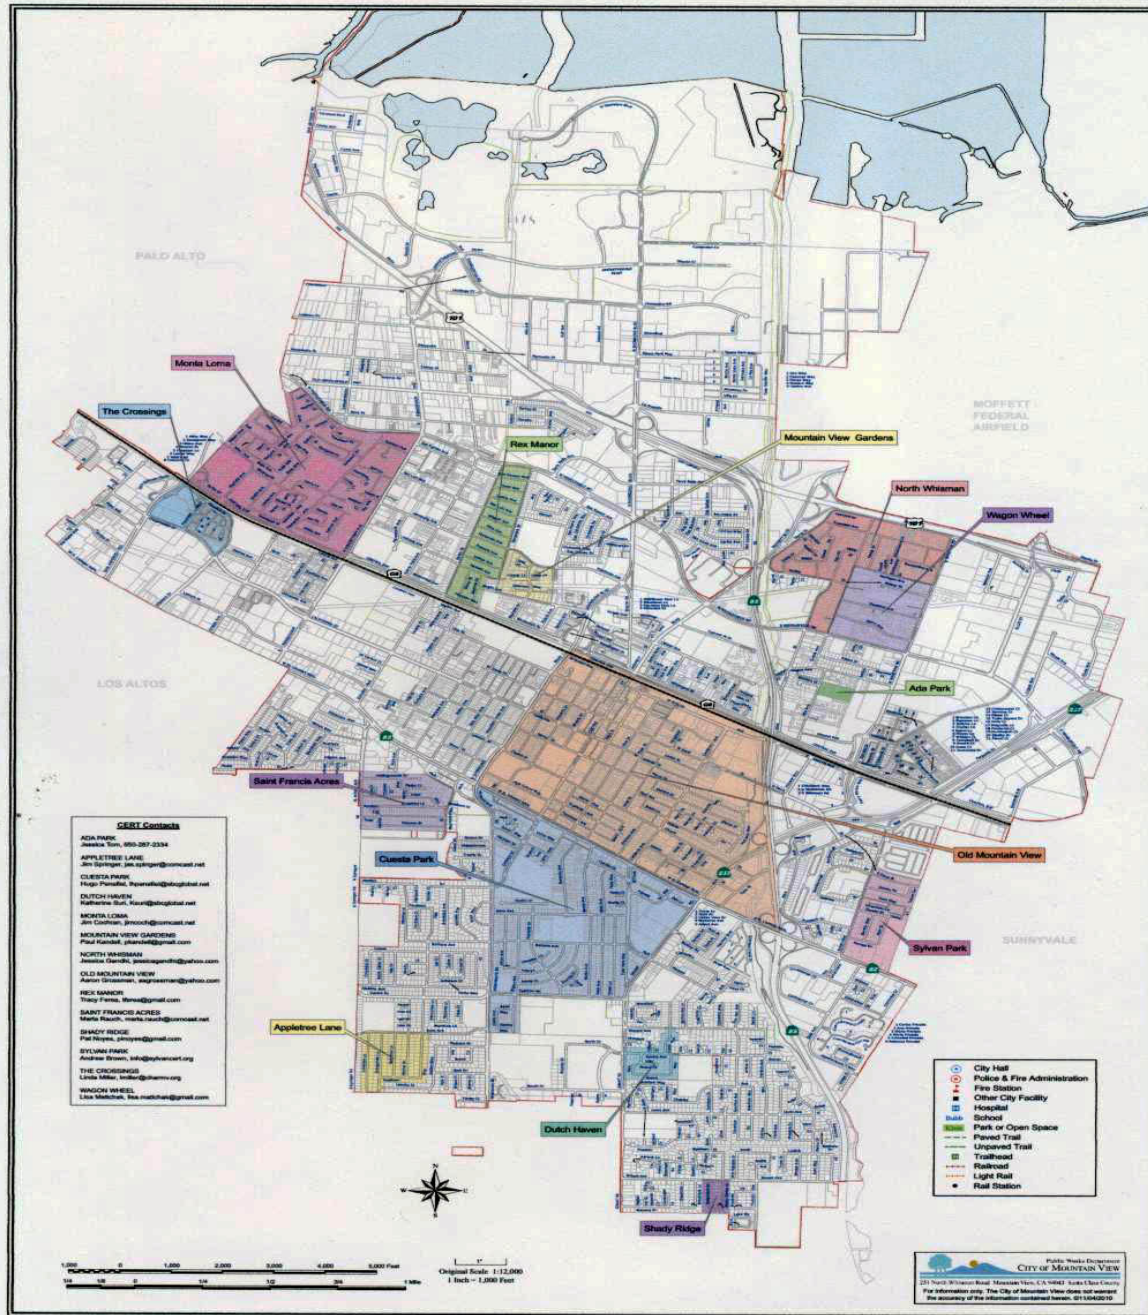

CERT + Ham Communications

WHY Communication is Important to both the CERT and the City

- ◆ Without communication, the CERT is completely isolated, with no way to ask for help
- ◆ Without communication from the CERT, the City has no knowledge of neighborhood conditions or what help is needed

WHAT to Communicate

- 
- ◆ Need to know:
 - Uncontrolled fires
 - Hazards: Gas, Water, Electrical or Chemical
 - Extent of building damage
 - Numbers of people injured, trapped or dead
 - Road obstructions or blockages
 - ◆ Any other situations where threats to life exist
 - ◆ Any situations that are growing or getting worse
 - ◆ CERT status for EOC master list
